INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

My name is Wm. Brown ~~xxxxxxx~~ and I live in Duncan, Okla. I am 57 years old. I claim my Cherokee Indian blood through my father, Azron Brown. I was born in Hamilton County, Tenn. in 1852. My father died in 1902, at the age of 91 years in Tex. My father was born in N.C. I do not know the County, but I have heard him talk right smart about Montgomery County, the P.D. river, and the Blue Ridge. He was raised in N.C. He came from N.C. in 1845-6 and came to Hamilton County, Tenn. He remained in Tenn. until 1856, when he came to Tex. My father claimed to be 1/4 Cherokee. My father often talked about being with them and moving around with them, and came to Tenn. with some of them. My father got his Indian blood through his mother, Polly Ellis. She was 1/2 Cherokee. She lived and died in N.C., but I do not know just the County. My father lived right among them, the Ellis family being their close neighbors. Old Tommy Ellis was a full blood Cherokee. My grandmother Polly Ellis had several brothers and sisters, Rachel, Easter and Betsy Ellis, and Joe Ellis. My father tried for rights in the Territory, but they were rejected before the Dawes Commission. My father never got any money from the Governemnt on account of his Indian blood that I know of.

I knew Aaron Brown for 20/odd years in Tex. I have often heard Aaron Brown talk about his Indian blood. He used to amuse me ~~for~~ while I was cutting his wheat, because he used to talk so much about his Indian blood. I can tell nothing he ever said about his Indian descent, except that he was a Cherokee, 1/4. I never heard him discuss the subject of his failure to ~~procure~~ get money or other rights. I did not know him abck in Tenn. though I come from the same part of the County. I am not related to Mr. Brown in any way, and I have no interest in any claim he may have against the government.

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, you state that Tommy Ellis and Joe Ellis, your ancestors, were Cherokees and went west after the Treaty of 1835. Why were they not enrolled on Cherokee enrollments of that year?

Why were not your grandmother, Polly Ellis, and your father, Aaron Brown, enrolled on Eastern Cherokee enrollment of 1851?

Your brothers, Simeon, Jim, Anderson, and Ivan Brown, were all living prior to 1851, but fail to appear on the Eastern Cherokee Roll of that year. Please state why they were not so enrolled.

Was your mother or your grandmother white, Indian, or negro? If negro, by whom were they held as slaves, by white people or Cherokees?

Please give this matter prompt attention and refer to the number of your application in your reply.

Dear Sir:

Replying to your communication relative to the application No. 3648, William Brown, an applicant for enrollment and participation in the Eastern Cherokee fund, desire to say the only I can give for my father and mother not being enrolled was that about this time they were moving West and not at a place where they could be enrolled. I am unable to say why my brothers, Simeon, Jim, Anderson and Evan Brown were not enrolled but I presume your investigation will convince you that there are numerous Cherokees who are entitled to participate in the funds who were not enrolled just as there are now living in the Choctaw and Chickasaw Nations people who are entitled to enrollment but were not found by the commission sent here to enroll them. Answering your query as to the color of my grandmother, will say she was half-white and half-cherokee, ^{my mother white.}

Andrew Jackson York, born first July 1890, deposes and says:

My name Andrew Jackson York and I reside at Clayton, Ga. I was born in Rabun Co., Ga. in 1890. I claim relationship to the Cherokee Indians through my mother, Sarah Ann York, who is a quarter Cherokee Indian. My mother's maiden name was Sarah Ann Chastain, and she claims through both her mother and father. Her father's name was William Chastain and her mother's name before marriage was Annie Note, both of them being half blood Cherokee Indians, and they claim back of that to both the Note family and Chastain family. My mother was born in Burke Co., S. C. in 1840. My mother married my father, John Benson York, who was a white man, about the year 1860. My mother is still living, but is too feeble to come and testify, but she has given me full information about the family history. My mother's father, William Chastain, was born in Buncombe Co., S. C. My mother's mother, Annie Chastain, whose maiden was Annie Note, was born in Cherokee Co., S. C. My mother and her family from 1830 to 1840 lived in Oconee Co., S. C. Ever since 1840 my mother has lived up to the present time in Rabun Co., Ga. I can remember my grandmother and grandfather Chastain coming to visit us often; they could both talk the Indian language and always told me they were Cherokee Indians. The name Chastain seemed to spell Chasteen and the name could be spelled Chastine. My mother's brothers and sisters were as follows. James Chastain or Chasteen; Eli Chasteen, William Chasteen, John Chastein, Van Chasteen, Nancy Ann Chasteen, who married Mark Burrill, Betie Chasteen, who married Ginson, Jane Chasteen, who married John Vinson, Judah Chasteen, who married William Chamberlain, Margaret Chasteen, who married David Vinson. My mother had one Uncle on the Chasteen side, namely John Chasteen. My mother also had one brother named Thomas Jefferson Chastain or Chasteen. My mother told me this morning that her father, William Chastain, often told her that he had been enrolled as a Cherokee Indian by the government and was recognized by the Cherokee tribe. My mother tells me that her father and the family were taken away with the tribe of Indians to the West; that they went as far as the Mississippi River and then returned to this country. My mother tells me that she remembers distinctly when Hester was through here making a roll and the reason she did not apply before him was that she was uneducated and had no one to assist her or any member of her family. The Notes were also recognized by the Indians. This is all I know about the family history.

John H. Chastain, being first duly sworn, deposes
and says:

My name is John H. Chastain and I reside at
Blalock, Ga. I was born in Jackson Co., T. C. in 1851. My
father was named John Chastain and he told me that he was born
in Tennessee. I do not know what section of the State. I do
not know how much Indian blood he has, but he claimed that he was
adopted by the Cherokee tribe of Indians. His father was named
Abner Chastain. My father never told me whether his father was
Indian or not. He never told me whether any of the Chastains
were Indians or not. My father served in the United States
Army and helped to drive the Cherokees away from this country.
He could speak both the Indian and English languages and served
as interpreter for the Government in enrolling the Indians at
Murphy, N. C. He had several sisters, namely, Polly, Rachel,
Onoy, Margaret and Nancy. He had several brothers, namely,
Aler, Abner, and Edward Chastain. Some of my brothers were
darker than others, but that could have been caused by the
sun. My first wife was Mary J. York and she was related to
the other Yorks who have appeared here today. She never claimed
any Indian blood on either side. Her maiden name was Mary
Campbell. Some of my uncles on the Chastain side are married
and have children and the names that I can remember are:
George Washington Chastain, Elizabeth Chastain, Laurie Chastain.
I do not know whether my grandfather Abner Chastain had any
~~children~~ brothers. Our people have always spelt
their name Chastain. James Chastain, nicknamed "Big Jim",
claimed my father as his uncle.

Note:- From this party's testimony all those claiming
under the Chasteen or Chastain family should be rejected, as he
does not claim any except white people and no Indian and was a
soldier under the Government in the Army at the time the Indians
were sent West and they claim Indian through that act. S.A.D.

No. 3901-3899.

John W. Crawford, being first duly sworn, deposes
and says:

My name is John W. Crawford and I reside at Clayton, Ga. I am seventy- years of age and I am appearing as a witness for Andrew Jackson York and his connections. I have known Mr. York ever since he was a small boy and I have known his mother and father all my life. I did not know Mrs. York, who was Sarah Ann Chasteen, before marriage to Mr. York. I have always been told she had been raised in North Carolina. I knew her father William Chasteen and he was recognized as a half blood Cherokee Indian. I remember the Indians visiting the Chasteens and York and also of them visiting the Indians. I have heard Mr. and Mrs. York talking the Indian language, and her folks also taught me the Indian language. I am not connected in any way with the York or Chasteen families. I have known Mrs. York's brothers and sisters and they were named William, Elijah, and Jim Chasteen, who was nicknamed "Indian Jim". Old William Chasteen I do not remember ever going away from this part of the country; he always stayed at home. They have always lived in Rabun Co., Ga. since I have known them. They were always recognized as half Indians and associated with the whites. I do not know how William Chasteen spelt his name. This is all I know about the Chasteen family. I remember old Hogeny Notes and he was a full blood Cherokee Indian. He could talk the Indian language and was an Indian in every respect. I have always understood that Hogeny Notes was related to Mrs. York and was either her grandfather or great-uncle.

On the 24th day of July 1806 personally appeared before me

County duly authorized to administer oaths James
Haroldson aged 80 years a resident of Webb City
Gasper County Missouri now sojourning in Springfield
Greene County Missouri whose Post Office Address is
Webb City Missouri well known to be reputable and
entitled to credit who being by me duly sworn on
his oath declared and said as follows in relation to
said case: I was well acquainted with Alexander
Brown in his lifetime He came from ^{or McMinn} Monroe County
Tennessee and located and settled near what is now
known as Brighton Polk County Missouri on or about
the year of 1836 or 1837. He came to said Polk County
two or three years before his death. The said Alexan-
der Brown when I first knew him lived in
^{or McMinn} Monroe County Tennessee I have heard that he
came to Tennessee from Georgia He lived about a
mile from my father's residence in Tennessee.
I knew said Alexander Brown as soon as I was
old enough to know anyone as he visited my father.

and my father visited him. his family and my father's family visited back and forth very often. his children and my father's children played together often. the two families were intimately acquainted with each other. I have a very clear and distinct recollection of hearing the said Alexander Brown say that he was registered or that his name was on the roll of Cherokee Indians before he left Tennessee, and I have heard him tell this before he left Tennessee and also after he came to Missouri. I came to Missouri soon after Alexander Brown left Tennessee and I saw said Alexander Brown and was intimately acquainted with him both in Missouri and in Tennessee. The said Alexander Brown was a tall broad shouldered man inclined to be slender high cheek bones of dark complexion black hair and eyes he and his children were generally known and recognized and reported to be part Cherokee Indian. they had the appearance of having Cherokee blood. I have a number of times heard Alexander Brown and also his children say that he was a half blood Cherokee Indian and they always claimed to be of Cherokee blood. The remains of said Alexander Brown were buried at the Brook Grave yard near Brighton Polk County Missouri. It was the general talk among his children and neighbors that said Alexander Brown was a half blood Cherokee Indian and that he was on the regular roll of Cherokee Indians.

I recollect that he was called by the Indian
name of "Swanee". When he left Tennessee and
came west he was accompanied by a number of
other families

Said Alexander Brown was the father of the fol-
lowing children viz: Thomas Brown, John Brown
Isaac Brown, Guch Brown, Sarah (Brown) Hamblton
who was frequently called Sally, Dice (Brown) Fender
Elizabeth (Brown) Ruth, Susan (Brown) Proctor, Annie
(Brown) Pace and Violetta (Brown) Ruth

Said Sarah Brown Hamblton was the mother of Martha
& Harriette whose maiden name was Martha & Harriette
who was the mother of Lurinda Harriette Hicks whose
maiden name was Lurinda Harriette, who is the mother
of Susie Waid whose maiden name was Susie Hicks who
is the mother of Vera Waid aged 5 years

I further declare that I have no interest in said case
and I am not concerned in its prosecution:

In the matter of the claim of
Susie Waid et al
for participation in fund appro-
priated by Congress June 20, 1906
to Eastern and Emigrant Cherokee
Indians.

On this 25 day of July, A. D. 1906, personally appeared before me, Orville E. Gorman, a Notary Public, in and for the afore-
said County, duly authorized to administer oaths, Russell Stokes,
aged 86 years, a resident of Springfield, Greene County, Missouri,
whose Post Office address is 12130 Taylor Street in Springfield,
Greene County, Missouri, well known to be creditable and reputable
and who, being duly sworn declared in relative to aforesaid case
as follows:

I was well acquainted with, and knew Alexander Brown
during his life time, from and after the time he came to Polk
County, Missouri, which was about the year of 1836 or 1836, until
the death of said Alexander Brown, which occurred about the year of 1
1837 or 1838. Said Alexander Brown located and settled at what is
now known as Brighton, Polk County, Missouri. His remains were
buried at what is now known as the Brook Grave Yard, near Brighton,
Polk County, Missouri. During the time above mentioned, the said
Alexander Brown and I lived in the same settlement as neighbors.
We saw each other and were together quite often. We have fished
together and have had many conversations together and became
intimately acquainted.

The said Alexander Brown told me that he was a Cherokee
Indian-- my recollection is that he said he was a half blood Cherokee
Indian and that he came to Missouri from Tennessee. He was recognized
and reputed by all who knew him to be a Cherokee Indian. He told me
that he had his papers showing his Indian rights, and that his name
was on the roll of Cherokee Indians. The said Alexander Brown always
claimed to be a half blood Indian, and all his children claimed to
be part Cherokee and were recognized and reputed to be such by all
who knew them.

The said Alexander Brown was a very tall broad shouldered
man, rather slim with dark hair and eyes and was of dark complexion.

Alexander Brown aforesaid had the following children, viz:
Sally (Brown) Hamblen, Dicie (Brown) Fender, Isaac Brown, Violet (Brown)
Ruth, John Brown, Elizabeth (Brown) Ruth, Thomas Brown, Susan (Brown)
Proctor, Zach Brown and Annice (Brown) Pace. Said Sally Brown Hamblen
was the mother of Martha S. Hamblen whose maiden name was
Martha Hamblen who was the mother of Jennie Hicks whose maiden name
was Jennie Hamblen who is the mother of Susie Waid.

I am not interested or concerned in this case or its prosecution.

I am 25 years of age. My mother was an Emmigrant and so
was my father. My father was not born until after 51. I think
though that my mother drew but am not sure. My mother's name was
A-gim-li Oo-na-noo-dih. Oo-na-noo-dih was also the name of her father.
His name was also Ah-whos-ti-ih. Her mother was named ~~XXXX~~
Gah-ne-yaw-he. My mother had a brother named Da-ne-lih or Daniel.
Another brother was Cuh-suh-nih. They were both younger than my
mother. Oo-na-noo-dih means Corn silk and my grandfather may have
been enrolled by that name. I have no brother or sister on my mother's
side but have a brother and sister on my father's side. (For
maternal Grandparents see Del 826. His mother is probably the one
given as Rachel). My Daws Commission number 28500.

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office where your father was living in 1851. You state in your application that your father was enrolled on Eastern Cherokee Enrollment Saline District in 1851. If he was so enrolled, he must have used his Indian name. The name of Wilson Dew does not appear on said roll, neither does the Indian name of your mother nor the names of your grandparents.

Aid us in connecting you with the roll by giving Indian name of father, English name of mother, and English names of relatives on both father's and mother's side.

Please give this matter prompt attention and refer to the number of your application in your reply.

Very respectfully,

Special Commissioner.

That I am 49 years of age and I claim my Indian descent through my father and his mother. My mother was a white woman. My ~~grand~~ grandfather on my father's side was white. My father was born in Buncombe Co., N. C. He was sixty or seventy years of age when he died and that was about 15 years ago. My father and grandfather were never on any rolls that I know of and never lived with the Indians that I know of. When my father was a young man he left Buncombe Co., N. C. and came to Fannin Co., Ga. My father's mother's name was Sallie Wright. Don't know her maiden name. Believe it was Sallie Reed. Never heard of my father or his mother receiving any money from the government. I am recognized as a white woman in the community. My father was recognized as a white man. About all I know is that my father claimed to be Indian; his mother was 1/2 Cherokee.

John H. Bradshaw being first duly sworn, deposes and says:

My name is John H. Bradshaw. I live at Fryor Creek, Okla. I was not enrolled by the Dawes Commission. I never applied for one. My mother was an Immigrant Cherokee. She drew money in 1858. She was not married then. Her name was Sarah Elizabeth Elledge, or Eledge. She lived in Tahl. Dist. in 1851. My mother did not have any own brothers. Her father's name was Alfred. I was born here in Okla. I have tried to be enrolled for land for the last 20 years. My grandmother, Henrietta Elledge was not living in 1850. Some spell the name Eldridge. I don't know why I was rejected by the Dawes Commission. I never found out. I went away in 1863, and I came back about 25 years ago. The reason they did not enroll me was because I stayed out of the Territory too long, and did not time to regain citizenship.

Replying to your letter of July 13, 1909, you are advised that the reason your two children, Ollie and Bertha, were not enrolled with you was that they are married and therefore not minor children.

All adult or married children were required to file a separate application.

If you desire to file an exception with the Court you should do so before August 30, 1909. The inclosed circular letter will give you the information necessary for filing exceptions.

Very respectfully,

Action: Reject.

Name Martha M. Bales and 4 children. Residence: Cullowson, W.C.

Reasons: It appears that applicant, her parents and grandparents were never enrolled. It also appears that applicant, her parents and grand parents did not reside with the Cherokee tribe. It does not appear that applicant, her parents or grand parents were parties to the treaties of 1835-6 & 1846; on the contrary it appears that they lived with the white people. This claim and those grouped with it are given color by the fact that they

claim through one Jacob Nicholson who they say is on the Roll of 1835. The name "Jacob Nicholson" does appear on the Roll of 1835 but the applicants do not show any relationship to him. They may be related to a Jacob Nicholson, but he is not the one on the Roll of 1835. The Jacob Nicholson on that Roll was at most a half blood and was enrolled with 3 minor females. Some of the parents of these applicants were living in 1835 and should have been enrolled there. Also a great number of the members of this family were living in 1857 but none were enrolled. An applicant, her parents and grand parents ~~was~~ have not lived with the tribe since 1830 and earlier.

Do you claim Cherokee blood through your father or your mother, and what were their Indian names?

John Peter being first duly sworn through Martin Squirrel, Interpreter, deposes and says:

I don't know just how old I am but I was told that I was born in 1865. Both of my parents were emigrants and drew money in 52. My parents were married and living together in Delaware District in 1851. My father's name was Ar-che-guh-lih or Arch Peter. My mother's name was I-you-qui. I had two full brothers living in 1851 named Wah-yuh-a-nee-duh and Jo-wuh or Joe. I have been told that my mother and father were staying with my father's father when the census was taken. His name was Peter. He didn't have any Indian name that I know of. My grandmother was living with my grandfather then. Her name was Ah-noo-yah-hih. My Grandfather was a preacher. The two brother's I have named above were only half brother's of ~~my father's~~ mine on the father's side. They were living with their mother in Saline District then. Their mother was named Betsey. My mother's father was named Nah-yuh-goo-huh. I guess my mother was living with her father in 51. (For father and his father See Del. 254). William Peter is my son.

Alice Buckskin being first duly sworn on oath deposes and says:

I am about 32 years of age. My father was an emigrant and was living in 51. Think my mother was living then to and on that roll. My father's Indian name was Go-naw-da-nuh. My mother's Indian name was Go-hih-na-ih. Don't know of her having any English name. Her father's name was Te-saw-wis-kih or Buzzard Flopper Her mother was named Ka-hew-guh. I mean Te-saw-wis-kih is the father of Ka-hew-guh. My mother's father was named Co-yaw-tuh-English name York. My mother's father and mother were not married. Co-yaw-tuh's wife at that time Ol-kin-nih. They had children by the name of Rachel Anney, Lewis and Allen. See. C. S. 41. I don't know whether Co-Yaw-tuh ever recognized my mother as his child or not. I have just been told he was her father. My father was given the name of Joe Drum when he enlisted in the army. My father's mother was named Ail-sey. Ailsey died on the road out to this country in 1836 or 37. My father was born on the way out here and I don't know who took him at the time. I think my father's grandmother, Che-yuh-nuh-nuh, took him. She was living at the time of the payment I am told. Think he was living with her in 51. My father also had the name of Joseph Bushyhead. See Del. 674. My Daws Commission number is 25623.

Walter Hummingbird being first duly sworn through Martin Squirrel, Interpreter, deposes and says:

I am 56 or 57 years of age. I don't know just which. I was born at the time they were paying off the Indians in 52 but was not on that roll. Both of my parents were emigrants. My parents were living together in Saline District when the census was taken in 51. My father's name was Wah-la-luh which means Hummingbird. My mother's name was Dah-ya-nih. Don't know of her having any English name. I was the oldest child. I have a half brother on mother's side living yet by the name of Jesse Bushyhead. He lives near South West City, Mo. My parents did not have any children in 51. See. Del 762. My Daws Commission number is 27455.

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office where your father was living in 1851, and what was his Indian name? Was he enrolled on Eastern Cherokee Enrollment of that year? If not, why not?

State why your brother, Jope Wilson, and sister, Margaret Wilson, were not enrolled on Eastern Cherokee Enrollment of 1851, and where were they living then?

Why have you never been enrolled on any Cherokee enrollment?

Please give this matter prompt attention and refer in reply to the number of your application.

Alice G. Steele,

Muskogee, Oklahoma.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office where your father was living in 1851. Was he Cherokee Indian and what was his Cherokee name? Was he enrolled on the Eastern Cherokee Roll of 1851; if not, why was he not so enrolled? Why was your mother not enrolled in 1851?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

Special Commissioner.

Hon. Guyon Miller,
Special Commissioner,
Washington D. C.

Sir;- In re Eastern Cherokee Enrollment, No. 3712.

Under date of January the 22nd, 1907, I was advised by the Department of the Interior that my application for participation in the funds arising from the judgment of the Court of claims in favor of the Eastern Cherokees had been received, filed and numbered 3712.

Since which I have heard nothing. I note, however, from a copy of the names enrolled in the office of the Clerk of the District Court at this place, that I do not appear thereon; tho' my sister Alice Moore and three brothers and one sister appear upon the rolls under number 19251; neither have I received any notice of the rejection of my application, other than failing to find my names on the rolls which I have just examined.

I trust that this matter may be adjusted and kindly ask you to advise me what has become of myself.

Very respectfully,

Walter F. Moore

Sir:

Replying to your letter of July 16, 1909, you are advised that you were not enrolled with your minor brothers and sisters for the reason that you should have filed a separate application, as you were of age.

The application filed by your father for his minor children is not sufficient for your claim, as each adult was required to file a separate application.

The matter is now out of my hands, but if you wish to take any action in the matter you will have to file exceptions to my report to the Court of Claims before August 30, 1909. The inclosed circular letter will furnish you with the information necessary to file exceptions.

Very respectfully,

Special Commissioner.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, you are advised that the following letter was mailed you by this Office on November 19, 1908:

"Relative to your application to participate in the Eastern Cherokee Fund, please advise this Office in what part of Georgia your mother, Amanda Wicked, was born; when did she leave that state to remove West; and about how old was she at the time of her death in 1871? How much Indian blood did your mother claim to have and who were her brothers and sisters? If any of these are now living, give their names and postoffice addresses. You state that your mother, Amanda Wicked, was enrolled in 1851. Please advise in what district she was living at that time. In your application, you further state that Jinnie Wooten and Amanda Wooten, children of your mother by her first husband, died about 1870 and 1871 respectively. In another place, you state that your mother died when you were about five years of age, all your brothers and sisters living. If you have any brothers and sisters now living, please give their names and postoffice addresses.

"You also state in your application that you were enrolled in Vinita in 1880, and on each roll since that date. Were you enrolled by the Dawes Commission as being a Cherokee Indian? If so, by what name and number, if you have it, were you thus enrolled?

"Can you not give more definite information as to your grandparents on your mother's side, giving their names, where they lived, and when they died?

"Did you ever hear of Patsy Wickett; if so, who was she? Are you recognized as a white, colored, or an Indian woman in the community in which you live?

"Please answer these questions fully and explicitly."

No reply has been received to this letter and you are

Sir:

Replying to your letter of December 11, 1909, you are advised that it is impossible for me, at this time, to state when the Eastern Cherokee fund will be distributed.

However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on, and the roll finally approved by the Court no money can be paid.

The amount each enrolled person will receive cannot be ascertained until the final roll has been approved and the exact number enrolled determined. However, it will probably not amount to over \$130.

Very respectfully,

Special Commissioner.
